Message from the Conference Committee

Dear 2019 MGWA Education Event Attendees:

February of 2019 will once again find us gathering for education and fellowship for the 91st time! We hope that you will join us in Grand Rapids, Michigan, at the JW Marriott for the 2019 MGWA Education Event! Once again, we are using the “conference” format to bring to you a combined event, with a new twist to the Fundamentals, as well as continued in-depth education for our contractor/registered members. This year, we will have a “Beginner & Advanced” Fundamentals course running side-by-side, so for those of you who know the basics, but want a bit more in-depth background from the Fundamentals, THIS IS THE PLACE TO GET IT! Other highlights continue to be: Table top viewing with vendors – Lunch provided BOTH days (as long as you pre-register) – Banquet and Awards – Annual Meeting with legislative updates – Board of Director Elections. Remember that this is YOUR association and that the best way to make it better and stronger is to participate, attend the trainings, and share your expertise!

A Message from the President

To all attendees:

As we enter into our second year with this new format, we will continue to utilize the expertise of our Manufacturers and Suppliers for our education courses, as well as participate with the MDEQ once again. As you will see in the following pages, we have expanded our Fundamentals course to include a “Beginner” and, new this year, an “Advanced” Fundamentals track, running at the same time as a third track for our MGWA Member Contractors. We will once again have a dedicated time to view table top displays from our supporting M&S members, a banquet, and Annual Meeting to conduct our Association business. On behalf of the MGWA Board of Directors and the Conference Committee, I want to thank you for your patience as we continue to move in this new direction, and for their hard work in getting this show put together. We are “Better Together” and we continue to show this as members of MGWA.

Thank you for your support, and I look forward to seeing you in Grand Rapids.

Sincerely,

Charles “Buddy” Sebastian – President, MGWA
